

Wolverines Meet Quincy Saturday; Lose Fallon Game

Junior Varsity Will Meet Roseville As Close Contest Seen

FALLON—The Fallon Green Wave won its second straight grid victory of the season Friday as it downed the Cardinal and White Wolverines of Tahoe-Truckee 39-26, in a non-conference game here.

Coach Ed Arciniega's Green Wave led all the way in the game, scoring two touchdowns in each of the first three periods of play. Only in the final quarter were the Wolverines able to keep Fallon out of their end zone.

In the first quarter Fallon half-back Marshall Coverston drove 33 yards off tackle to score and Fallon's center, Connie Anderson recovered a Wolverine fumble in the end zone for another tally. Fallon's final touchdown came in the third period with a 35-yard off tackle play, Bob Weaver carrying the ball. Merlyn Dixon kicked three conversions for Fallon.

For the Wolverines it was all Robinson and Holbrook. Craig Robinson scored three times on the quarterback sneak. Dean Holbrook, Tahoe-Truckee's workhorse, scored in the final quarter, driving eight yards off tackle to pay dirt. Robinson also figured in the extra point plays for the Wolverines, carrying one over on a quarterback sneak and passing to Holbrook for the other.

Cal Farley's Junior Varsity Cubs, playing their second game of the season following a 14 to 12 win over Sparks, defeated Roseville Frosh, 19-14 in a thriller before a nice home-town crowd Saturday. The two teams meet in a return game at Roseville this Saturday at 2 p.m.

The Quincy Trojans of the Feather River League, will be at Truckee this Saturday for a non-conference tilt starting at 2 p.m. This will mark the first game between the two schools and should give the locals a real test in preparation for the Northern Nevada Conference schedule.

RAIN FALLS HERE AS SMALL FIRE STOPPED

Truckee received .11 of an inch of precipitation during the weekend to bring the total for the month of September to .42 of an inch. While the showers dampened the forest and minimized the fire hazard, it did not eliminate it and officials of the U.S. Forest Service pointed out that burning is still restricted and all summer rules are still in effect.

One small fire, believed to have been started by a careless smoker was reported in near the 6000-foot level along the S.P. tracks Saturday by Ir Waters, hunting in the area. A rain shower aided the suppression crew in quickly controlling the blaze and no damage resulted.

SPEED BOAT DRIVER INJURED IN MISHAP

Followers of speed boat racing will be sorry to learn that Pilot Bill Muncey of Seattle, well known at Lake Tahoe, was injured when the hydroplane, Miss Thriftaway, was wrecked at Madison, Wis., while participating in the Governor's Cup. The race was won by Henry Kaiser's Hawaii Kai III, piloted by Jack Regas of Seattle.

Miss Thriftaway disintegrated when it hit the wave of another boat. The craft cannot be repaired in time for the Lake Mead races in two weeks.

ROAD TAX PROPOSED IN PLACER COUNTY

AUBURN — Establishment of road district taxes in Placer County has been suggested to the board of supervisors as a method of raising money to improve county roads. The suggestion was opposed by Supervisors L. L. Anderson, who said: "I'm going to see that this county does not have a road tax."

Road taxes came before the board after Supervisor John Boyington moved the next federal aid funds to be used on the Auburn to Folsom road for straightening, widening and repairing.

AUBURN CHAMBER AIDS BEACH PLAN

AUBURN — The Auburn Area Chamber of Commerce has commended the board of supervisors for initiating a drive to save public beaches at Lake Tahoe and has offered to support the project. The chamber's approval was voiced at a noon luncheon after Roy Mikkelsen, chairman of the chamber recreation committee, reported on the drive.

Supervisors have ordered a survey of some subdivisions fronting on the lake to determine if county roads, parks and public beaches are being encroached upon by private landowners.

Road Official To Address Meeting Of Rotary Clubs

Tahoe, Truckee Clubs Will Hold Joint Meeting Next Monday

The Rotary Clubs of Truckee and Tahoe City will hold an inter-city meet Monday evening, October 7 at 7 o'clock, at Tahoe Inn. The guest speaker will be Alan S. Hart, district engineer of the division of highways at Marysville.

Hart has chosen for his topic the tremendous project of four-laning Highway 40 in this mountain area. He will also give information on how the highway department intends to cope with traffic conditions in respect to Squaw Valley 1960 Winter Olympic Games.

In the spring of this year Hart was transferred to the Marysville district from being district engineer of Eureka. He served in this upper coast division for some five years. Prior to Eureka, he served a short time as district engineer at Bixtop. He has made his entire career with the highway department since graduating from the University of California.

Tahoe City Club will be host for the occasion and members of the Truckee Club will furnish the program with Jim Sherritt as program chairman.

CROSSWALKS GIVEN APPROVAL BY BOARD

Nevada County supervisors at their meeting last week adopted a resolution asking the division of highways to provide two crosswalks at the Gateway Park Shopping Center.

A survey of the needs for the walks was made several weeks ago by Blair Geddes of Marysville and Frank Fox, local superintendent for the division.

One of the walks will extend from the Gateway Garage to Tonini's Bottle Shop and the second from the Z Market to Hintz.

RED CROSS BOARD TO MEET OCTOBER 8

A board meeting of the Truckee Branch, Chapter of the American Red Cross, will be held at 8 o'clock in the Tahoe-Truckee High School, October 8 and is open to the public.

The district field director, Mr. Davis of Sacramento, is scheduled to talk and present a new text book of the organization. The speaker will also outline general activities, a first aid course and talk on the swimming program for the next year.

SURVEY IS MADE OF HIGHWAY TO SQUAW

District Highway Engineer Alan S. Hart announced that a survey party of the division of highways has been working between Tahoe City and the Squaw Valley road for the past weeks. The group was headed by Don Johns.

The purpose of the survey was to retrace the centerline of the abandoned railroad in this area. Much of the railroad right-of-way was acquired by the state and the survey party is determining the exact location of these holdings. Hart pointed out this type of work is a part of the continuous planning duties of the division of highways so that highways can keep pace with the ever changing traffic needs in California.

CHANGE OF FOREST AREA NAME APPROVED

Supervisor L. A. (Gus) Rickel of the Tahoe National Forest announced that the regional forester of the California region has approved the changing of the name of the North Bloomfield District of the Tahoe National Forest to the Nevada City Ranger District. The headquarters for the ranger in charge of the newly named district is in Nevada City, in the same building in which the forest supervisor has his headquarters.

Parents Again

Attorney Francis Robichaud and son, Michael, of Sacramento were deer hunting and seeing local friends during the weekend.

Since leaving Truckee Mr. and Mrs. Robichaud have become the parents of two daughters, now having nine children.

Germany Ired Over Local Decision To Drop Bobsled Run

A press dispatch from Garmisch, says that Hans Killian, president of the German Olympic Bobsled Federation, has criticized Squaw Valley in the deletion of the bobsled events from the 1960 winter games slate.

He accused the American committee of letting the bobsleds down and wired the international committee an offer by Garmisch to stage the games.

Bobsledding was eliminated from the Squaw Valley program because only two nations at the IOC meeting in Sofia gave definite promise they would participate. Other nations cited the high cost of shipping equipment as their reason for abstaining.

Kilian said building a bobsled run and staging the event was one of the conditions under which Squaw Valley was awarded the games. Garmisch was an unsuccessful bidder for the 1960 games.

State Selling Local Homes On Highway

The division of highways is beginning sales of property procured for rights of way in this area and one home, that of Mr. and Mrs. R. T. Joslin on the hill near the old high school brought \$25 at a recent public auction. No sale was completed for two other homes in the same area.

On October 9, the home of the Robert Powell Frickstad, 5.3 miles south of the Tahoe-Truckee Wye on State Route 89 will be sold, according to Roger G. Stillwell, right-of-way agent.

Inspection of the house may be made between 8 a.m. that date and the hour of the sale. The purchaser may take possession within 10 days and must remove the building and clear the property within 90 days.

Other houses in the Truckee area are expected to be offered for sale within the near future.

GREAT BOOKS CLUB WILL MEET OCT. 9

Thomas Hobbes, a 17th century English political philosopher, likened a state or commonwealth to that of an artificial man. He compared this artificial man to a great leviathan which he presented in his work of the same name. His works—this one among them—put him consistently at odds with the various religious leaders of his day.

Members of the Great Books Discussion Group will study sections of Hobbes' Leviathan for their October 9 meeting. Miss Winifred Collins and Mrs. Charlotte Patroude will lead the discussion.

As a convenience to people living at Lake Tahoe, the discussion meetings will be rotated between the Tahoe-Truckee High School library and the Tahoe Lake Elementary School. This meeting will be held at the Tahoe Lake School beginning at 8 p.m.

Kings Beach Girl Will Wed At Lake Saturday

Miss Patricia Jo Spracklin of Kings Beach and William Gosney will be united in marriage at a religious rite on Saturday, October 5 in the Lady of the Lake Catholic Church with Rev. Leo McAllister officiating at the ceremony to be performed at 8 o'clock.

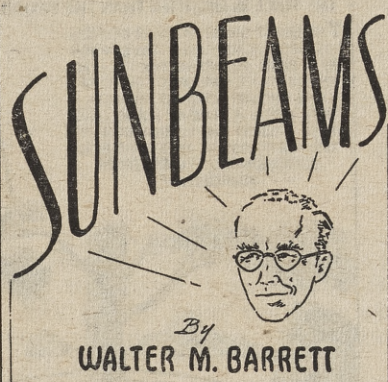

The bride-to-be is a former resident of Lovelock, Nev., and Gosney came from Sacramento to Tahoe City where he has been employed by the Pacific Telephone Company.

FORMER LOCAL BOY MARRIED AT CARMEL

Mr. and Mrs. James Walker have received word of the wedding of a former Truckee youth, Stanley Songer, Jr., to Miss Joan Marie Ott at Carmel. The wedding took place September 28. The couple will reside in Oakland. Songer's late father operated a barber shop here and his mother a beauty parlor.

SNOW FALLS

Some snow fell on the mountains in this area last night, coming below the 6000-foot level and cool weather with threats of more snow at lower elevation featured the weather picture today. A severe lightning storm roused the residents of Truckee and vicinity at early hour this morning.

A drive for funds to finance the Boy Scout movement throughout the Tahoe Area Council is scheduled to get underway this month, the North Tahoe starting date having been set for October 15, but the Truckee date still undecided. We can think of no finer cause than the Boy Scout movement and, when operated as intended, there is no doubt of its value to the future of the nation in building good citizens. There are 40,500 Cub Packs and 55,000 Boy Scout troops in the United States and in these organizations there is seldom a complaint of juvenile delinquency. A donation to the Boy Scouts is an investment in the future.

Still another good cause which will ask your help this month is the Salvation Army. The fine part of this program is that the money raised locally is spent locally and only for certified cases of need. The return you get for your donation, is the satisfaction that you helped a fellow human in need.

FEWER DELAYS WILL BE ENCOUNTERED ON RENO HIGHWAY

The possibility of motorists being delayed up to two hours on Highway U. S. 40 in the Truckee river canyon has passed, District Engineer Alan S. Hart announced in Marysville today. Contract provisions permitted such delays by the contractor's operations through September 30. The delay has been enforced only on rare occasions during the summer season.

Work will continue on the conversion of this section of the highway to four lanes, Hart said, until the severe high-Sierra storms will force work stoppage. He pointed out any work done at this time will make possible an earlier completion date next summer when work will be resumed.

During the remainder of the season traffic will be routed over the construction area under control with as little inconvenience and delay as possible. It is expected the average delay to motorists will not exceed 30 minutes, Hart said.

COLLEGES COURSES AVAILABLE HERE

Frank Van Vliet, director of extension services in Sierra College, states that the college will conduct college classes in the Tahoe-Truckee area if there is sufficient demand from local residents.

Van Vliet said an enrollment of at least 12 students will be necessary to start a class. Requests of type of work desired should be made with William Scituito, principal of the high school here.

Classes can be started as soon as there is sufficient demand.

Marles Rau Will Wed In Ceremony At Reno

Miss Marles Rau, daughter of Mrs. Ernest Olson of Truckee and Fred Rau of Verdi, will be married to Vincent Anthony Alaimo, Jr., of San Jose next Sunday at 3 p.m. in St. Thomas Aquinas Cathedral in Reno. Many friends and relatives will attend.

Eileen Olson, sister of the bride, will be flower girl and Ronald Rau, her brother, will be an usher.

GETS PROBATION

NEVADA CITY—George Dohm, 56, Donner Summit, was taken into custody last week on a charge of failure to provide and was ordered this week by Judicial District Judge Victor Montre to pay \$60 per month and placed on three years probation.

BACK FROM TRIP

Mr. and Mrs. A. B. Polyanich returned Monday from a motor trip which took them through the Mother Lode country and up the Redwood Highway to northern California. While in San Francisco they attended the art show.

Mrs. Cora Walker wrote the Sierra Sun that her father has died at their home in Virginia and that she plans to return west in the near future.

Kings Beach Pastor To Fill Pulpit At Truckee Church

Rev. Aubrey Clark of Redwood City, who has been conducting services at the Truckee Community Methodist Church for the past several weeks, has departed for his home with the sincere regrets of the many friends he made while here.

Rev. Clark retired from active work several years ago but occasionally fills in where the need demands.

The pulpit here will be filled, temporarily at least by Rev. Earl Langguth, pastor of the Kings Beach Community Church, who will drive over each Sunday to preach at 9:45 a.m., returning immediately for his regular sermon at the lake.

As a result of the change in time of the local service, from 11 to 9:45, Sunday school will be held at 11 a.m. in the local church.

Langguth was reassigned to the Kings Beach church at a recent conference, but no permanent pastor was named to replace Rev. Wesley Osman, who has been transferred.

Power, Water Off In Freak Accidents

Two almost simultaneous accidents Friday morning disrupted both the electric and water systems of the Truckee Public Utility District.

A truck is believed to have backed into a utility pole in the alley back of the main street business block, causing a short which took two hours to repair and which momentarily cut off the supply of electric power to Reno.

At almost the same time, a caterpillar caused a break in the water main at Gateway Park and the homes in that area were out of both water and electricity at the same time.

The public's dependence upon electricity was exemplified as dark stores, restaurants, service stations and virtually every business in the community came to a sudden stop as stoves, cash registers, gas pumps, and most other essential facilities for operation were stilled.

NEW PHONE CENTER PLANNED AT TAHOE

Pacific Telephone today announced plans to establish a new field operating center in Tahoe City.

The new center will be located at Alpine and Manzanita avenues in the Lake Forest district and will become the headquarters for about 23 vehicles and about 35 telephone crewmen.

An 84 by 128 foot building will be put up on the site for a garage, offices and supplies storage shed. The telephone company expects to occupy the new center by December 1.

Portlock Infant Funeral Held In Chico Last Week

Funeral services were held in Chico Friday for five-month-old Farrin Dee Portlock, who died here September 23 following a siege of pneumonia. The Truckee Colonial Mortuary had charge of the details.

The baby was the daughter of Mr. and Mrs. Clarence Portlock, the former being employed by the Southern Pacific Company here. There are three other children in the family.

SELKIRK IS FETED AT COMPANY PARTY

TAHOE CITY—A birthday party was staged by the staff of the local business office of Bell Telephone Company on Monday night for their manager, George Selkirk of Pineland.

A potluck dinner followed the cocktail hour at the home of Jeannette Mitchell in Sunnyside. Those participating included the honoree, his wife, Opal and sons, Mike and George, Messrs. and Mesdames George Mead, Frank Daft, and Major Jones, Loren Holmwood, Slim Gordon, Eleanor Swanson and Dale Mitchell with the Walter Gehlerts dropping in on the party later.

Mr. and Mrs. Jack Wolert are reported to be in Paris but recently visited relatives of Oscar Schumacher in Switzerland. The travelers wrote the local man an interesting account of their meeting with his nephew.

More Than 1,000 Attend Buck Stew Here On Saturday

Slate Family Has Big Field Day As Annual Fete Held Here

It was "Slate Day" at the Truckee Outdoor Sportsmen's annual buck stew here Sunday.

In the first place, Miss Joyce Slate, daughter of Mr. and Mrs. Roy Slate of Donner Lake was crowned queen of the affair and to top off the day, Mrs. Slate was presented with the high powered rifle, awarded by the club as top prize of the more than 130 handed out during the afternoon.

More than 1,000 attended to partake of the savory venison prepared by Mr. and Mrs. Johnny Ciardella and enjoy the afternoon's festivities. Jack Waggoner officiated as the master of ceremonies.

The capacity of Capitol Hall was far exceeded and despite threatening showers throughout the afternoon, the crowd assembled on the plaza opposite the hall where a public address system had been installed, and enjoyed the event.

Both President Frank Fox and Vice-President Charles Osburn, who headed the committee in charge, said Sunday's crowd outnumbered any previous stew day attendance and already plans are underway to make the 1958 event even larger.

Runners-up in the queen contest were Anita Diaz of Truckee and Rosalee Christenson of Meadow Park.

TEACHERS HONORED AT ROTARY MEETING

Twenty teachers of the Tahoe-Truckee Unified School District, headed by Superintendent John Corbin and Principal William Scituito of the high school, were guests at Monday's meeting of the Truckee Rotary Club at Donner Lake Lodge.

The teachers were introduced by Scituito, program chairman, who gave a brief history of each teacher. Dick Swanson presided at the interesting meeting.

SERGEANT KILLS BUCK TO EVEN WIFE'S SCORE

It's difficult for Sgt. Frank Snyder to be outdone by a woman deer hunter and when that woman is his wife, it's even more embarrassing.

Mrs. Snyder went into Nigger Canyon Friday and with one well-placed shot brought down a nice forked horn. The sergeant had been hunting without success, but when he learned of his wife's prowess as a hunter, he struck out early Saturday morning and evened the score with a buck he shot near Watson Lake.

Now the family is back on speaking terms and all is well.

NEW HOMES WILL BE ERECTED IN AREA

Mrs. Eve Popovich, developer of the Donner Trail Estates subdivision west of here and north of Highway 40, reports that work of paving the streets there was scheduled to begin this week.

Mrs. Popovich also reported recent sale of homesites in the subdivision to Mr. and Mrs. Weston Sauby, Mr. and Mrs. Edward Tischler, Mr. and Mrs. Earl Smith, Jr., and Mr. and Mrs. Frank Quilici, all of Truckee.

Planned improvements in the area are going forward and additional sales of lots were previously recorded.

LIEUTENANT NAMED FOR COUNTY PATROL

SACRAMENTO—Lieut. G. D. Wallihan will assume command of the Grass Valley unit of the California Highway Patrol October 14, according to information released today by Commissioner B. R. Caldwell.

Prior to his promotion and assignment to the Grass Valley Area, Lieutenant Wallihan served as sergeant at the patrol's Stockton area office.

Lieutenant Wallihan began his career with the department in August of 1941 and was promoted to the rank of sergeant in October of 1950.

Capt. Ruel Blohm, present Grass Valley commander, will take command of the patrol's Red Bluff area office.

Work At Squaw May Be Started During Next Week

Court Orders Immediate Use Of Land For Flood Control

Judge Leland Propp of Placer County this week signed an order for possession of more than ten acres of land in Squaw Valley for immediate use by the California Olympic Commission to start construction of the facilities for the 1960 games.

A security deposit of \$35,018 was asked and work on the flood control and drainage project may be started next week.

The ten acres in the order are only part of the 72 acres asked in condemnation proceeding instituted by the state several weeks ago. Acquisition of the balance will depend upon the court or settlement out of court between Mr. and Mrs. Wayne Poulsen and the state.

Contract This Week

Alan Bartholmey, executive director of the Olympic Organizing Committee, said a contract for the first phase of construction is scheduled to be signed this week with Diversified Builders and the Macco Corporation, both of Los Angeles. The flood control work will be included in this contract.

Bartholmey said that a month's work on the project, including the lake, and grading and widening of Squaw Creek and other excavating details can be completed this fall and that foundation work can be started as soon as snow melts next spring.

The condemnation suit seeks 61 acres and temporary easement on an additional 12 acres of Poulsen land in the valley.

No decision has been reached by the Olympic planners on the location of the sewer disposal plant, one of the points of difference between Poulsen and the state.

SAN RAFAEL MAN IS CITED ON FIRE LAWS

TAHOE CITY—A warrant was served on Richard A. Schieck in San Rafael for failure to observe fire safety laws in the forest. Schieck, who with his wife owns a home in Pineland, was cited earlier in September for dumping a bucket of hot ashes in the yard under a pine tree. Later the wind rose and a neighbor, Denis Sach, discovered a patch about 20 square feet on fire. He called Patrolman Jack Schindler of the William Kent Campgrounds who extinguished the flames with the tanker and had Schieck cited. The latter has posted bail but Judge Harry Charrisson has not yet completed disposition of the case.

On August 31 Mrs. Verda Ress Bohne of Tahoe Pines was cited by Patrolman Schindler for burning in the open in the yard of her home. She was fined \$25 in Judge Charrisson's court in Tahoe City.

CARD PARTY PLANNED BY REBEKAH LODGE

Naomi Rebekah Lodge, No. 2, will hold a card party in the I.O.O.F. Hall October 18, according to plans made for the event at the September 25 meeting of the lodge.

Mrs. C. Miller and Mrs. A. Stone-sifer two new members were initiated at a district meeting held at Grass Valley, also attended by other members of the Truckee group.

Mrs. Rex Reid, noble grand has requested that all members be present October 9, the next meeting date.

HERBERT RETURNS FOR SALVATION ARMY

Joseph Herbert, who for the past several years has been canvassing this area for funds for the Salvation Army has returned to conduct the 1957 drive.

Herbert pointed out that donors need not wait for him to call but may mail contributions to either Bruno Bellotti, at the Bank of America, treasurer of the Truckee-Tahoe Chapter of the organization, or to N. F. Dolley, the local committee chairman.

The local funds are retained in Truckee where they are dispensed in case of need by the local committee, only a small part going into the district treasury for state and national use.

DEPARTMENT CALLED

The fire department was called to the D. L. Schuler home on West Main street Monday afternoon when a leaking gas fixture for a short time threatened a fire. No damage resulted.

Moving In New House

Mrs. Norma Highfill is moving into her new house this week, located near the Robert Luck property on the hill above Truckee. Carl Painter has just completed the modern dwelling.

From Capital

Mr. and Mrs. Robert Leamon had as their weekend guest, Charles Leamon of Sacramento.

AFFAIRS OF STATE
by
Henry C. MacArthur

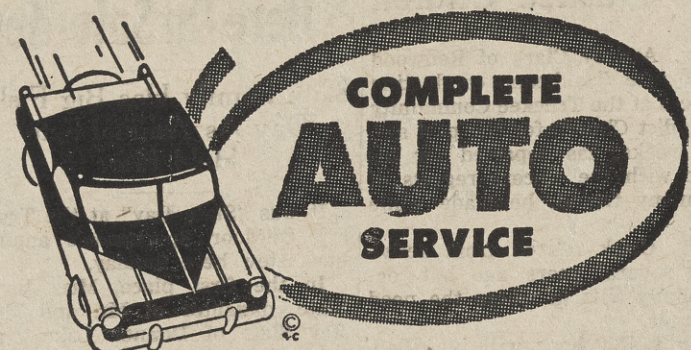

SACRAMENTO (CNS) — Some
added teeth to the motor vehicle
laws have been added by the 1957
legislature, and these are now in
effect. Too much publicity cannot
be given to the new laws, which
after all were not as stringent as
administration officials hoped for,
as they affect nearly every citizen
of California.

Starting with the root of all
trouble, which is the driver him-

self or herself, Paul Mason, direc-
tor of the state department of mo-
tor vehicles, points out that his
department now has more examiners
authorized for working over peo-
ple who apply for licenses.

And in addition, he also points
out the new system of licensing
operators of vehicles, which in-
volves a bonus system for good
driving, and what might be termed
a penalty for violations.

Under the new system, driver's
licenses are dated on the birthday
of the applicant. Thus, persons
applying for new licenses, who
have no previous convictions of
moving traffic violations, may se-
cure a license for the ensuing
five years, instead of four. But
those who have had convictions

PATROL TO ENFORCE
NEW TRUCK RULINGS

SACRAMENTO — A noted in-
crease in traffic violations by com-
mercial vehicle drivers has made
it necessary for the California
Highway Patrol to emphasize in-

crease enforcement effort.

Ten violations by commercial
drivers were singled out by Patrol
Commissioner B. R. Caldwell.

1. Excessive speed.
2. Excessive speed on down-
hill grades.
3. Following too closely.
4. Failure to maintain 500 feet
intervals between commercial ve-
hicles.
5. Failure to complete passing
movements on uphill grades with-
in the required one-quarter mile.
6. Exceeding limitations on
driving hours.
7. Defective brake equipment.
8. Inadequate or improperly
connected safety chains.
9. Defective or inadequate muf-
flers and exhaust systems.
10. Lack of vehicle registration
and incomplete or incorrect ve-
hicle registration.

"Enforcement action against
these violations will be executed
in accordance with established en-
forcement policy," Caldwell prom-
ised. "The safe operation of com-
mercial vehicles is a must on Cal-
ifornia's congested highways."
"In an effort to encourage volun-
tary compliance with the traffic
laws, the patrol will provide peri-

Thus under the new law, it will
not pay to drive while intoxicated,
not that it ever has paid, but
evasions of punishment have been
too easy in the past. It is not too
propitious to say that unless the
new laws cut down materially on
the drunk driving problem that
the 1959 legislature will give con-
sideration to strengthening them
even more.

Passing along the truck situa-
tion on the highways, trucks and
trailers with more than three axles
are prohibited from going faster
than 45 miles per hour. Actually,
a 45-mile per hour speed limit
has been in effect for trucks over
25,000 pounds for some time, but
it is one of the most highly dis-
regarded laws on the statute books.
The new law will permit arrests
without the necessity of weighing
the vehicles to determine if they
are out of the weight zone.

The state department of public
works also is taking a hand in
making the highways safer. It has
reduced downhill speed in several
areas of the state for heavy trucks,
in a widespread endeavor to pre-
vent run-away vehicles from be-
coming a menace on the highways.

The state is tending more and
more to emphasize the fact that
driving a vehicle on the highways
is a privilege, and not a right, as
has been held by the courts. It is
only when vehicle operators realize
this phase of law that accident and
death rates are likely to start show-
ing some decline.

Going and Coming

Beverly and Wyman Williams left Brockway last Friday for Pasadena, but will be back before Christmas, we hope. Bev tells us that our friends and visitors to the lake, Bill and Betty Hoefler of Pasadena and Azusa, started their new foundry off in a blaze of glory, sparks flying all over the joint. The best news, is they hope to be up here around Christmas. Hi, Betty and Bill.

Visiting

Arnold and Sophie Miedema are up here for a couple of weeks vacation. They are from San Pedro. Arnold is with the California quarantine station here. He tells of visiting with our old friend, Bill Gage, former head of the Truckee quarantine station.

Left

Mr. and Mrs. E. C. Cooley of Incline Beach have left for Palo Alto to visit Mrs. Cooley's mother, who is quite sick. I understand she is

91 years old and is a grand old lady.

Big Time

Now again, our favorite club, the Crystal Bay Club, of course, is ready to welcome you on Friday night the fourth of October. For news of same read the large ad in this issue, and make up your mind to attend. That is an invitation from Johnny Rayburn. Slim Laborde and Mac McCoskey, that goes for every day in the year, too. Did you ever partake of the chicken dinner on Sunday nights?

Beauty Spot

Now we hear that Wiley and Bernita Jones have set the foundation for their new home right on the triangle on Park Lane overlooking the lake. It is a delightful spot, right opposite the home of the Eddie Moores, just down from the top of Brockway Hill.

Closed

Well, the Monte Carlo Lodge of Crystal Bay have closed their doors for the winter. I guess they did their part in giving away cash and two cars during the summer and will soon be back.

Poorly

Angelo Chiaratti, our deputy sheriff, has been in Auburn for the past couple of weeks. Ange has been under the weather. Mrs. Chiaratti has been quite poorly, too. We sincerely hope they will both be OK in the very near future.

Christmas Trees

There is a new tree ordinance out for the County of Placer with quite a few changes therein. You would be wise to acquaint yourself with same as it might save a load of trees, your pocketbook and some other penalty.

Flying High

Wonders will never cease. Of all the people to go galavanting over the country, Andy and Alice Sorensen left last Sunday night for Boston, where they will meet their very close relatives. For a most important occasion and they went by air, and who should go with them but Pearl Martin. Mother Gallerani will take care of the children and Billy Martin will do the cooking. I understand that Pearl, after a short stay in Boston,

TNT TIDINGS by NANCY WATTS

The last few weeks at TNT have seen a somewhat depleted school population. Almost 25 percent of the student body has been absent from school at one time. The culprit in most of these cases seems to be the "flu." Don't get worried, though, most doctors agree that we are not having very much of the Asiatic flu at all. Symptoms merely show it to be the old ordinary kind.

We held a tremendously successful rally last Friday. The band played beautifully, the cheerleaders led roof-raising yells, and the songleaders performed with skill and precision. An exhibition was also given by the majorettes, Christi Lander, Teresa Decker, Nancy Kaspian, and Rosalie Frates. Several students were called upon to speak about our school spirit. As these sudden requests were entirely unexpected, the remarks were rather brief but on the whole pretty good.

Class meetings were held Wednesday, September 25, with a lot being discussed and decided upon. The eighth grade meeting, from what I can hear, was very successful. Pat Collins called the meeting to order while the sergeant at arms took down the names of noisy people and submitted them to receive demerits. The group elected a class cheerleader, Sandra Faris, and chose committees for the carnival and their soon-coming dance.

will bring her sister back with her. The reason for the trip will be told in next week's issue.

A Buck
Clarke Powell got himself a little buck last Sunday. Being Tail Twister of the Lions Club, he thought well, I'll go twist the tail of a deer, and he sure made it.

Birthday
George Harrison of Reno and Brockway celebrated his birthday last Saturday with a get together with his wife, Clementine, and wee daughter. Even his brother, Sam, and wife, Audrey, Harrison, got in on the delightful ceremony at Crystal Bay and the South End, then on Monday morning Sam and Audrey left their beautiful home at Kings Beach for San Francisco, with a promise to return very soon.

New Residents
We are happy to say that we have two brand new residents in our community, and will make their home here. They are George and Anna Baker, mother and dad of Mrs. Mex Springer. They will be at Joe King's establishment through the winter. We certainly welcome this wonderful couple.

Weather
After quite a thunder storm Sunday night, Monday morning came up beautifully bright and everything seemed to be just as dry as ever, so be very careful with fires, don't burn anything without a permit. That goes on till December 1 unless advised otherwise. There is still need to keep your place clear of garbage and other rubbish.

Varlen Frey presided at the meeting of the ninth grade. During the assembly, Dorothy Corbin was elected secretary, Marilyn Plavell was elected student council representative, and a treasurer was elected.

During the tenth grade class meeting, a brunch committee was chosen with Sherry Thatcher as chairman. Jerry Cinani and Bill Connors were elected as class cheerleaders.

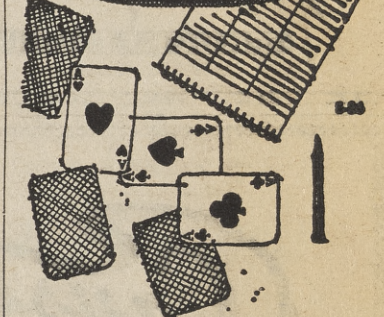

The eleventh grade elected various officers and chairmen. Among them were: Prom chairman, Carol Ann Quilici; co-chairman, Bev Gunkel; student council representative, Koby Kiser; treasurer, Carol Ann Quilici; dance chairman, Judy Vaughan. Tim Johnson was elected to be the class yell leader.

The senior class made all kinds of plans for the coming year. Among other things this class selected committees for the Christmas dance, senior ditch day, the school gift, graduation, the senior play, and another dance. Sounds like a busy year!

The Eagle Theatre, first in California, opened October 18, 1849, in Sacramento.

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY
Kindergarten: We started our year with 27 children—17 girls and 10 boys. Our first project is a booklet showing home, family, school and teacher as four links in a chain working together for a successful school year.

First and Second: The first grade has completed "Before the Road" and the first "Pre-Primer, "The Look and See."

The second graders are collecting stories, pictures and poems for their "Train Unit."

We are sorry Terry Wheeler had to return to Sacramento.

Second: We have 29 children in our grade.

In science we have been looking for signs of fall.

Bill Rose, Stephen Keith and Barry Waters brought baby lizards for our terrarium.

Fourth: The fourth grade class officers for October are John Sturcke, chairman; Betty Saarni, co-chairman; and Ricky Ralphs, secretary. Very good work in social studies has been done by J. Sturcke, E. Wilson, J. Knoff, and Courtney Lewis. In arithmetic, Larry Digesti and Ricky Ralphs have done good work. Interesting reports on trips or special events were given by C. Lewis and J. Sturcke. Sherry Borden, Charles Trainor, and Dawn Maynard merit special mention for their interesting contributions to the class, "Share and Tell."

Fifth: On September 26, the fifth grade held an election for class officers. Those elected were Eddie King, president; Danny Garcia, vice-president; secretary and treasurer, Linda Banyard and Patricia Shane. They will be the news reporters also.

The students making a perfect score in spelling were: Michael Sauby, David Sorani, Wade Mosby, Daryl Breakfield, Judy McGwinn, Marcia Leamon, Skippy Peterson, Jimmy Roth, Damie Garcia and Dennis Douglas.

Sixth: The sixth grade has been working on Mexico in social studies. We have found it very interesting.

We elected the following class officers: President, Ronald Brown; vice president, Leonard Hensley; secretary and treasurer, Kenneth Stumbaugh.

Those who made 100 in spelling in the trail test are Leilani Braasch, Steve Besio, Bonnie Fair, Candy Young, Ronald Brown, Kenneth Stumbaugh, Bobby Frates, Carol Erwin, and Susanna Sciutto.

First: Butch Harline, Nadine Farley and Mary Lou Randall had birthdays in September. Lorene McCarroll, Craig Swauger and Monte Neugebauer have October birthdays. A very happy birthday to all.

Third: Thethird grade started the year with 42 class members, but, Michael Hamilton and John and Charles Collier have moved away.

Our best spellers are: Jack Melugin, Theresa Pinedo, Bill Waters, Gail Englehart, Gary Water, Donna Jennings, Bruce King, Tim McLane, Len Vind, Mary Ann Moore, Eileen Olson, Susie Olano, Edward Johnson, Cathy Braley, Darlene Doolittle, Cheryl Rockholm, Karen Hedlund, Rhonda Manley, Kathy Braasch, and Don Whiteneck.

DONNER TRAILS SCHOOL

First and Second: Debby Zorich brought a baby bird to school. She found it after it had fallen from its nest. The class decided to let it go at the end of the day but the bird died during his nap in the nest. We buried him beneath a pine tree. We were all very sad.

Third, Fourth, Fifth and Sixth: The students and staff of Donner Trails Elementary School were very fortunate this past week. They were treated to a trip through Europe by way of films taken by Mrs. Dorothy Bacon, the school's cook, on her visit in Europe this past summer. It was very educational and enjoyed by all.

TAKE LAKE SCHOOL

Second and Third: After a thorough discussion on the merits and the methods of listening and two hard weeks of study and recall, the chosen students of the class are (as of this week) Dianne McBride, Sheri Paradise, Vicki Jones, and Dick Pomin. In order to hold this honorary position with their classmates they have to meet 12 demands or standards that were set up for the year.

Fourth: The following children received perfect scores in spelling: Donald Stowe, Karen McBride, Alex Cushing, Paul Cincotta, Jean Hallifax, Joyce Anderson, Tommy Rukhala, Alice Calhoun, Dick Neilson, Pat Dempsey, Mike Schick, Jerry Jorgensen, Cathy Conners, Susan Wright, and Donna Drummond.

Fifth and Sixth: The Tahoe Lake Wildcats' football team invaded the homegrounds of the Kings Beach Beavers and again the final score stood 0 to 0. Both teams showed much improvement over the last game.

The Parent-Teachers Association day, September 26, in the fifth and sixth grade room. New officers this year are: Mrs. Carolyn Henriksen, president; Mrs. Chick McBride, held its monthly meeting on Thursday; Mrs. Maxine Beck-

ANNIVERSARIES

by SWANEE

TAHOE CITY — From Marie Henry's notebook I gathered the following information: Birthdays of localites in September, and October, as well as wedding anniversaries, are numerous. Birthdays in September include on the 15th Dr. C. B. Pedersen of Auburn; 18th, Mrs. Gerda Kvistberg; 20th, Mrs. Lillian Farr; 22nd, Frank Kennedy; 25th, Jean Henry; 26th, Joe Henry; 28th, Elsie Bell Becholdt; 29th, Louise Geier; October 18th, Bill Becholdt; October 21st, Paul Corona, son of the Ollie Coronas; October 29th, Mrs. Fred Kilner and October 31st, Corrine Otton.

Wedding anniversaries include some notable ones for this day and age: On September 12th, Mr. and Mrs. Charles Spalding observed their golden wedding at their home in Galena Creek; on September 26th the Carl Becholdt, Sr., noted their sixth year of wedded bliss; on September 28th the Carlton O. Valentines of Costa Mesa chose a trip via Airways to Argentina this year to celebrate their 62nd anniversary; on October 1st the John Pingrees observed their 20th anniversary; on October 2nd the same date as the Carl Becholdt, Jr., the Joseph Duffees look happily back on 47 years of happiness; October 5th the C. O. Vernons pass the 46th milestone together; while on October 10th the Joe Henrys will look back on 40 years of marital joy. October 21st marks the second anniversary of Art Frodenberg's daughter, and husband, the Darryl DeWalt; October 23rd, the third year for the Robert Boyers and on October 27th old-time Tahoe City residents, Mr. and Mrs. Willis Hevel of Auburn will look forward to their 63rd milestone together. To one and all, may we wish in advance, or belatedly, continued happiness and good health in the years to come.

man, secretary; Mrs. Betty Jorgenson, treasurer.

KINGS BEACH SCHOOL
Kindergarten and First: The first grade has satisfactorily written their numbers from 1-5.

First and Second: Candy Ehlers, Sandra Martin, Philip Goodrick, Kathleen Critchley and Phyllis McCarty are the first graders who are reading out of their new Pre-Primers—titled, "Three of Us."

Third and Fourth: We made individual relief maps of California. Steve Fette brought a large piece of plywood—to be used for a large map as a class project.

Fifth and Sixth: Our class visited the Tahoe City school to play football. The final score was 0-0. The quarterback position was ably handled by Rene Robert.

NEWS NOTES FROM TAHOE

By Naomi McLane

Tahoe City, Box 711, Juniper 3-3187

Beautiful Season

It does not seem possible that September is already gone. October, that most beautiful of all the months, already has us by the

throat. I think it's the throat, unless it's the heart. October has practically given its name to the fall season. More than any other time it rings down the years back and beyond our own football seasons into the long ago of brown October ale and nut Browne Maydens and Sherwood Forest (always in October).

Whiskey Film

Tahoe City Rotary held their first night meeting at the Inn Tuesday, September 24. Thirty-one members

were present and three visitors. Basil Kehoe, program chairman, introduced Francis J. McAuliffe of the Four Roses Distiller's Company, who showed a film on whiskey making methods of both the present and the past. After the movie he explained the complicated process of the blending of whiskeys. President Warren Porter presided over the meeting.

Names Chairmen

Tahoe Lake PTA held its first meeting Thursday afternoon in the schoolhouse. President Carolyn Henrikson conducted the business meeting most of which consisted of appointing chairmen for the various committees and setting up the machinery for the school year's activities. Eloise Stowe was elected secretary to replace Helen Hewitt who moved away last month. Other officers who were elected at the close of last year are: Chick McBride, vice president; Betty Jorgensen, treasurer; Eunice Henrikson, historian; Mable Neilsen, parliamentarian; and Tessie Anderson and Naomi McLane, auditors. Committee chairmen for this year are: Joanne Marier, hospitality; Betty Starratt, safety; Joyce Spitsen, budget; Mickey Day and Virginia Jones, publicity; Betty Rich, child care; Jim Reynolds, program; LaRue Sherman, clothing exchange; Vonnie Jones, ways and means; Irene Grahn, magazine; and Maxine Beckman, membership.

Scout Meeting

Cubmaster Chris Burmer reports an enthusiastic first meeting last Wednesday night at the Community Hall of Den Mothers and others interested in the Scouting program. Bob Fitzpatrick, a district executive of the Tahoe Area Council had come up from Auburn, and gave a most interesting and informative talk and led in some fine group singing. Five volunteer mothers will take over their duties this month and it looks as if the plea for more help will be met. Last year's groups totaling 21 Cubs has grown to number 35.

From Tacoma

Mr. and Mrs. Ward Knapp have had visitors from Tacoma, Wash., this last week Dorothea and Charles Hunter who spent several summers here some years ago.

Closes Home

Mrs. Vivien Franklin has closed her Lake Forest home for the winter and has returned to her Los Angeles area home.

Out Of Hospital

Della Goss is still at Tahoe Forest Hospital and Sam reports that she does enjoy the cards and greetings she receives.

Undergoes Surgery

Mrs. John Anderson is also at the hospital where she is undergoing surgery.

Tahoe Items

TAHOE CITY—John Angus Bowman of Kings Beach, who was charged some weeks ago with forging the name of Andy Sorenson's name on a check, appeared in the Tahoe Judicial District Court September 25 when the charge was dropped to a misdemeanor. Bowman pleaded guilty to the charge of petty theft and was sentenced by Judge Harrison to serve six months in the Placer County jail in Auburn.

Recent houseguests of Mrs. Anna Blau of Tahoe Vista were Miss Emily and Jeanette Lohrum, Mrs. Emma Tussner of Hollywood, Mr. and Mrs. Warren Ryle of Whittier. The hostess said that the ideal weather and scenery around the lake enchanted the visitors.

Santa Barbara is the destination of Mr. and Mrs. J. M. Dixon who have been at Crystal Bay, all summer.

Observe Date

Mr. and Mrs. Carl Becholdt, Sr., have had as guests this last week D. P. Ragan, Sr., from Los Angeles. The Becholdts celebrated their seventh wedding anniversary September 26 at the Mapes Hotel in Reno. Eight guests sat down with them at the beautifully decorated table done in pink and white.

Many Birthdays

September brought out a rash of birthdays. If I have missed any, and surely I have, please forgive me but I could not help but chuckle over the length of this list. Heidi Henrikson, Greg Moore, Lillian Farr, Helen Rauscher, Les Spitsen, Jean Henry, George Selkirk, Leonard Bury, Dorothy Platteau, Arleneand Jack Dunne, Ed Gill, Bob McLane, Marcie McLane, Pete Vanni, Barbara Neilsen, Dale Mitchell, Dwight Lang, and Anna Marie Connors all had September birthdays. May they have many, many more.

With Relatives

Bob and Helen Beaverson have a little girl for the fall semester of school. Helen's niece, Dona Drummond from Los Angeles, is living with her aunt and uncle and having a taste of mountain life. Dona had a birthday in September, too. She turned nine on September 26th. Jack and Dorothy Van Allen came in to share her birthday supper.

More Anniversaries

Beside the Becholdts there were other September anniversaries: Dave and Chick McBride, Bob and Betty Jorgensen and Charles and Mabel Neilsen.

And for the first of October little Brad Carl Jorgensen became two years old.

Fall Vacationers

Fall vacationers include Mr. and Mrs. Warren Porter who are off on a six-week or so jaunt into Utah and Colorado and back down through the Southwest. In Colorado they will meet their daughter and her family from Piedmont and will then go on into Arizona and southern California where they will visit their son. Las Vegas, Brice Canyon and Salt Lake City are among the stopping places they plan.

On Trip

The Enrico Gianninis and the Ken Marvins are traveling together for a ten-day holiday which also follows the sun. Arizona and southern Nevada are on their itinerary. Ralph Rauscher is keeping Rik's Golden State route going in his absence.

At Pfeifers

After a summer managing the dining room and bar at Chambers Lodge, Mr. and Mrs. Franz Hermann and Werner, who for many years was at the Sugar Bowl, are at the Pfeifer House for the winter. Hermanns and their little boy, Franz, called Hermie, and Werner moved this week into the Comagere house in Tahoe Tavern Heights.

No Sunday Mail

Postmaster Oliver Corona announces that as of October 1 and until May 1, 1958, there will be no Sunday mail. Between these same dates, the west side of the lake goes on a three-day weekly delivery service, Monday, Wednesday and Friday.

TRUCKEE BIBLE CHURCH

W. H. Boyd, field director with Student Missionary Council, will be visiting the worship service next Sunday. The Lord's Supper will be a part of the worship service.

All are invited to visit the services which are being held in the Donner Trail Lumber Building on Sunday with Sunday school starting at 10 and morning worship at 11 o'clock.

The evening service is at 7. Tuesday morning Mrs. Rhoades has a Bible class in the Lake Forest area at the home of Mrs. Marshall Ruhlala at 10 o'clock. In the afternoon of the same day a Bible class is held in the home of Mrs. William Englehart, Jr., at 1:15.

Wednesday evening at 7:30 is power hour at the Wes Boyer home.

Thursday evening at 8 study and prayer time is offered in Tahoe City in the home of Mr. and Mrs. Earl Yeager.

Friday evening at 7:30 teen-time will meet for a social hour, devotion by Bob Williams and time of refreshment.

TAHOE WEATHER

TAHOE CITY—Despite all the clouds and wind only .16 of an inch of rain fell at Tahoe City during the weekend and Monday. Temperatures have varied from a low

of 42 to a high of 68 during the past week. With 399 csf of water leaving the gates, the level of Lake Tahoe Monday was 6227.76 feet, Art Frodenberg, cooperative observer, reported.

Children home alone, the youngest ones especially, would be helpless to escape if fire should strike while you're away.

This tragedy happens every day and actually is the cause of one out of every three child fire deaths.

Never leave small children alone. Even if it is necessary to leave the house for only a few minutes ask a neighbor to stay with the children. And whenever you must go out for a longer time, leave the children in the care of a baby sitter who not only has been told what to do in case of fire but who is also physically and mentally capable of carrying out such instructions.

The Frank Dafts on Sunday moved from their home in Pineland Drive to the Schickler home in Tahoe Park. They will rent their Pineland home for the winter.

Mrs. Violet Pomin and children have moved to Berkeley to their new home for the winter months.

Mr. and Mrs. George Duquette

of Stockton and son, Gary, were visitors at the George Selkirk home in Pineland on Sunday.

Father Patrick O'Neill of Truckee announced on Sunday that there will be only one mass each Sunday from now until snow flies and skiers arrive to augment the congregation. Mass will be held at Truckee at 9:30 a.m. At Tahoe City at 8 a.m. and at Kings Beach at 11:30 a.m. on the first Friday and Saturday. Next week masses will be held in Truckee at 7 and 8:30 a.m.

Mrs. Bert J. Homer, daughter of Mrs. Myrtle Rose of Mortimer's.

and daughter, Rebecca, enjoyed a visit here from their home in Lubbock, Texas.

Dr. and Mrs. Clark Burnham, Jr., returned to their Piedmont home on Monday after an unsuccessful buck hunt. Guests over the weekend at their Truckee River home included Mrs. Clark Burnham, Sr., of San Francisco, and Mr. and Mrs. Mike Hamilton of Piedmont.

Mrs. Betty Patterson of Merced and Mrs. Mitzi Cochran of Berkeley have returned to their homes following a visit of several days at the James Baker home on Fairway Drive.

Mr. and Mrs. William Boscacci of Stockton were guests at Russell Pines over the weekend from Stockton. They came to Tahoe to visit Mrs. Boscacci's sister, Mrs. Ida Selkirk of Pineland, who has been ill at the George Selkirk home for some weeks.

Billy Burger, 17-year-old son of the Ray Moes of Tahoe Park, underwent his examinations on Wednesday last prior to entering Uncle Sam's Navy. He reports on October 7 and leaves for San Diego.

"Timely Tips" are not meant by Mrs. Marie Henry, or myself, to be preparation for war, but the foundation for a home survival, or defense, action program. Emergencies may arise from fire, earthquake, flood or a local catastrophe, not necessarily from an atomic or hydrogen bomb. They are intended only as a means of instruction, one tip at a time, in the vital art of self preservation.

Patrolman Jack Schindler has spent four days patrolling the east and west Boca area, and the region around Verdi and reports that in four days he validated only nine bucks, none of them large, further proof that hunting isn't as lucrative as in former years this season.

Father O'Neill also requested parents of children who are preparing for confirmation to send notes to school asking their children be allowed to be picked up by the bus which takes them to Truckee for catechism.

The congregation at the local Catholic Chapel on Sunday were delighted to note that macadamizing of the entire parking area, the work completed last weekend.

RUGGED VERSATILITY—The Army Quartermaster Corps' new fork-lift truck needs no landing docks or railroad sidings. It can move in surf or five feet of water, work in sand, mud or snow, lift or move sideways, pick up loads angled on hill-sides and carry them up or down the hill at an even level.

ENFORCEMENT OF BOATING LAWS AT TAHOE IS URGED

TAHOE CITY—Enforcement of federal law governing boating and water skiing is the subject of an intensive campaign by several Lake Tahoe organizations which are now trying to secure a permanent Coast Guard detachment for law enforcement and rescue.

The Nevada-California Lake Tahoe Association, Coast Guard Auxiliary Flotilla 63 and the Lake Tahoe Safety Council are jointly requesting the support of Congressman Clair Engle of the Second California District and Senator Alan Bible of Nevada in their efforts.

Joseph H. McDonald, president of the Lake Tahoe Association, a non-profit organization endowed with Fleischmann Foundation funds, this week donated \$1000 to the Coast Guard Auxiliary for the purpose of maintaining the 45-foot rescue craft, Reverie, presently the only rescue craft on the lake.

McDonald explained that although his organization hopes to go much further than this in working out lake safety programs, the donation was made because short of proper federal action the volunteer auxiliary is the only means of patrolling the lake. "We feel that the volunteer Coast Guard Auxiliary and its boat is necessary on the lake even with the regular Coast Guard here too," he explained.

"Boating and water sports have increased rapidly in recent years and at no place have they grown more rapidly than at Lake Tahoe. They create a serious problem which must be solved soon if we are to avoid more serious accidents in the future," he said.

The Placer County Board of Supervisors are currently studying a proposed ordinance to regulate boating on Lake Tahoe even though the federal government claims jurisdiction up to the actual shoreline.

Governor Demands More Weapons Against State Mounting Highway Toll

SACRAMENTO (CNS) — Gov. Goodwin J. Knight has reiterated his stand that "additional weapons" are needed by enforcement agencies in the state in view of the "traffic debacle over the Labor Day weekend," when California again led the nation with 5- persons killed and 814 injured.

The death toll of 51 compared with 38 killed on the same holiday weekend last year and an estimate last week by the California Highway Patrol that 45 persons would die as traffic victims of motorists did not heed the laws and rules of common courtesy.

Before the weekend, the CHP had promised all available personnel would be on duty; the department of alcoholic beverage control said it would put all available liquor control officers on the job to prevent sales to intoxicated persons; and Knight had urged judges to mete stiff penalties to traffic law violators.

"I am appalled by California's traffic debacle over the Labor Day weekend," Knight said, in a prepared statement. "Fifty-one persons were killed and 814 were injured in California despite the all-out emphasis placed by enforcement agencies on curtailing highway accidents.

"This graphically points up the need for additional weapons to assist police bodies in their efforts. Earlier this year I asked the California legislature to establish a 65-mile per hour maximum speed limit and to authorize the use of radar speed checks by the California Highway Patrol. No action was taken on these requests but I shall vigorously continue to urge their approval by the legislature. "We have one progressive piece

McCULLOCH CONTEST IS ANNOUNCED HERE

E. C. McReynolds of McReynolds Sporting Goods, announced that the second annual McCulloch Saw-Draw contest will open October 1.

"During this year's nationwide McCulloch Saw-Draw, 150 MAC-35 chain saws with 16-inch blade and pintail chain, will be awarded to contestants who enter the contest," McReynolds said.

Anyone may enter the McCulloch Saw-Draw by obtaining an entry blank at McReynolds Sporting Goods, filling it out and sending it to McCulloch Motors Corporation, 6101 West Century Blvd., Los Angeles.

While no purchase is required to enter the contest, anyone who purchases a saw during the Saw-Draw will receive a check for triple the list price of the saw if his card is selected. There will be three drawings in this year's McCulloch Saw-Draw. The first will be at the factory October 22. The others will be on November 13 and December 3. Winners will be notified by air mail and a complete list will be posted at McReynolds after each drawing. For other details see the ad in this week's Sierra Sun.

SCARCITY OF DEER IS NOTED AT TAHOE

TAHOE CITY—Hunting continues to be the chief topic of conversation in this community with many an experienced hunter bewailing the scarcity of bucks. The hunting party which started from Elizabeth Walker's home on the Truckee River last Thursday morning for Shank's Cove returned empty-handed with not a single buck. They saw few tracks, and only a few deer, their report indicating like many others, the scarcity of water in the back country where streams are dried up.

Dr. and Mrs. Clark Burnham, Jr. of Piedmont, who spent four days in the Tahoe back country reportedly sighted 45 does in their four-day jaunt, but nary a horn.

Elfred Luhrs of the Truckee River got his buck in Homewood. A nice three-pointer, Eddie Sather had to go as far as Wentworth Springs for his buck. 9 nice big ones. The hunting party which included Bill Becholdt and brother, Carl, Pete Vanni, Joe Duffee, Bob Pomini and Jay Shontz which packed in to the favorite haunts of the old-timers at Hell Hole came out with one lone buck, size and points unknown, shot by Bob Pomini.

One hunting party which created a humorous finale to their "buckless" hunt in the Homewood back-country terminated at Ben Callender's Lodge in Homewood where the boys sought to soften their disappointment with a few beers. Seems one of them, not wanting the world to know they had been "skunked," got the idea to borrow one of Ben's mounted deer heads on the wall and fasten it at the back of Foster Record's truck properly swathed in canvas to make it look authentic. And real it must have appeared for almost at once things began to happen. Car breaks screeched to a halt as passing motorists slowed to admire it. Pedestrians stopped to look at the beautiful rack of horns and one lady opined "what a beautiful head that would be to mount."

It took a car containing three Mexican vacationists to take the cake. Seeing it in the fading light of dusk in front of the lodge they stopped and got out of their car to look it over. "The eyes are open and so glassy," said one. "How much did it weigh?" queried another. Said one of the hunters seriously, "Oh, around 175 pounds." The little man shook his head negatively. "Oh, no, I do not believe it weighs that much." So with a quick jerk he yanked at the protruding horns to get a better look at the animal's body. To his complete consternation the horns came away in his hand. And with a frightened cry he dropped them to the ground, ran with his companions to the car and sped away. He evidently believed he had torn the animal's head from his body and was terrified at what the hunters would say. They're still laughing at Callender's Lodge at the little Mexican's dilemma, and the aftermath of their fruitless hunt.

REPORT IS MADE ON TAHOE SIGN DRIVE

KINGS BEACH—Tom James, chairman of the North Tahoe Outdoor Advertising Sign program, reported at a meeting of the North Tahoe Businessmen's Association last week that the results of the campaign are beginning to pay off.

James reported there are now five signs installed, the farthest east being near Winnemucca and the farthest west two miles east of Oakland. The 12-40 foot signs are all colorful and attractive.

Maxine Polzin, secretary-treasurer, reported that over \$6000 had been contributed and that an additional \$2800 in pledges would be called in soon.

The committee consists of James, Leon Barker, Lyle Gunkle, Charles Rich, Alice Sorensen, C. C. Templeton, Bob Davis, Earl Gray, Larry Ludlow and Earl Nelson, assisted by other local business people.

Rev. and Mrs. J. Karutz of Tahoe City left for Sacramento.

DISTRICT GOVERNOR TO VISIT LAKE CLUB

Robert C. Hall

The Rotary Club of Brockway will be host to Dr. Robert C. Hall, governor of the 519th district of Rotary International on October 7. The governor is making his annual official visit to each of the 41 Rotary Clubs in the eastern half of northern California and the state of Nevada. He will address the local club and confer with President Fred Baker, Secretary E. J. Stokes and with committee chairmen.

Wherever Rotary clubs are located, President Baker asserted in discussing the governor's visit, the activities are similar to those of the Brockway Club, because they are based on the same general objectives — developing better understanding and fellowship among business and professional men promoting community-betterment understandings, raising the standards of business and professions and fostering the advancement of good will, understanding and peace among all the peoples of the world.

TAHOE TWIRLERS TO START DANCES SAT.

KINGS BEACH—According to President Walt Pope, the "Tahoe Twirlers" started their square dance season off with a bang Saturday night. Approximately 50 people were present, with guests attending from Truckee, Reno and San Rafael. Callers for the evening were Lloyd Everett of Truckee, Tom Zeme and Louie Cappirro of Reno, and John and Sophie Levra of Kings Beach.

The "Twirlers" dance every Saturday night, except the third Saturday of each month, at the Carpenters Hall in Kings Beach. Anyone interested in joining in the fun, please contact Walt Pope, Liberty 6-3322 or John Levra, Liberty 6-3563. A beginners' class will be started in the near future for anyone wishing to learn square dancing.

Raus From Roseville—Mr. and Mrs. John Rau of Roseville vacationed here last week, visiting friends.

Tahoe Church Plan Is Being Promoted

TAHOE CITY—To provide Tahoe City with its first permanent year-round Protestant church, a group of laymen headed by Charles Beardsley is appealing to everyone in the community to get behind the drive this fall so that the St. Nicholas Mission can be permanently established.

In a form letter to residents of the area, the committee has set up a budget of \$6000, and while much of this will be paid by the Episcopal Diocese of northern California, it has been found necessary to secure pledges from local residents. About \$1200 has been pledged to date.

Beardsley pointed out that three objectives are desired, the first and primary purpose being to maintain a place of worship; second, to aid the Sunday school and provide increased facilities for teen-agers and adult Bible education, and third to maintain youth activities, women's auxiliary, Bible study groups, painting and folk dancing groups, aid Boy Scouts and Girls Scouts and to provide a place for teen-age instructions, inspiration and entertainment.

All faiths and denominations are invited to worship and participate in the activities of St. Nicholas.

In honor of Bishop Noel Porter, Fred Kilner has donated a lot in front of Swedish Farm House and Norman Mayfield is heading a committee to design plans for erecting a year around chapel, with an apartment for the clergyman, Sunday school rooms, a banquet hall, auditorium and chapel.

A state-wide campaign to provide funds for the erection of the chapel is under the leadership of Bishop Clarence Haden.

Leave Truckee—

Truckeeites recently changing their addresses are the Dale Stricklins who have gone to Richmond, Mr. and Mrs. Henry Gall now have a Kings Beach address. Mr. and Mrs. Chase Harper returned to Pomona after several weeks here.

By Train To City—Mr. and Mrs. Dan Horman left by train Tuesday for several days visit at San Francisco.

In South—Mrs. Jack Ellis has been visiting relatives at Los Angeles.

Tarzan

by EDGAR RICE BURROUGHS

THE APE-MAN HAS JUST BEEN TIED TO THE PIRATE SHIP'S RIGGING AND STRUNG UP BY HIS THUMBS.

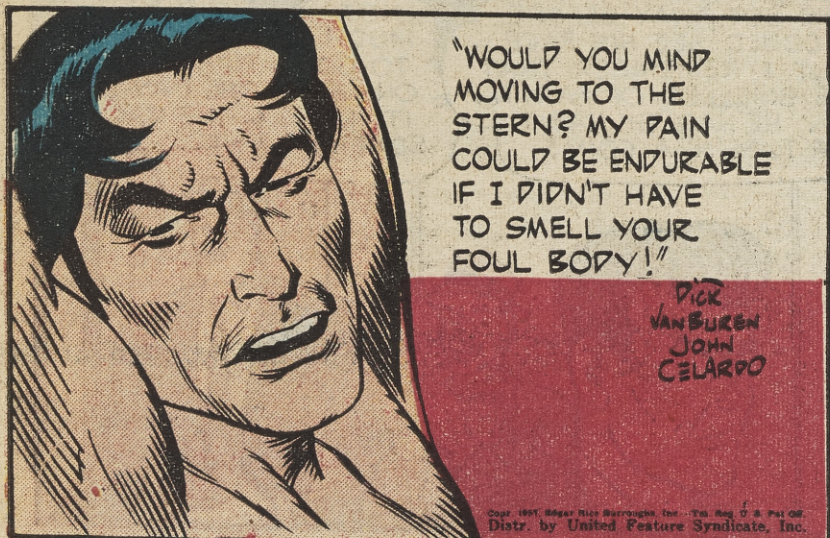

TARZAN WAS LEFT TO HANG UNTIL HE WAS WILLING TO TALK. HE WORKED THE FINGERS OF ONE HAND SO THAT THE LOOP SLOWLY SLIP OVER HIS THUMB...

HE QUICKLY GRASPED THE LOOSE ROPE. THEN, FEIGNING HELPLESSNESS, HE CALLED SOFTLY TO THE SHIP'S MATE. "LIMEY--"

"WOULD YOU MIND MOVING TO THE STERN? MY PAIN COULD BE ENDURABLE IF I DIDN'T HAVE TO SMELL YOUR FOUL BODY!"

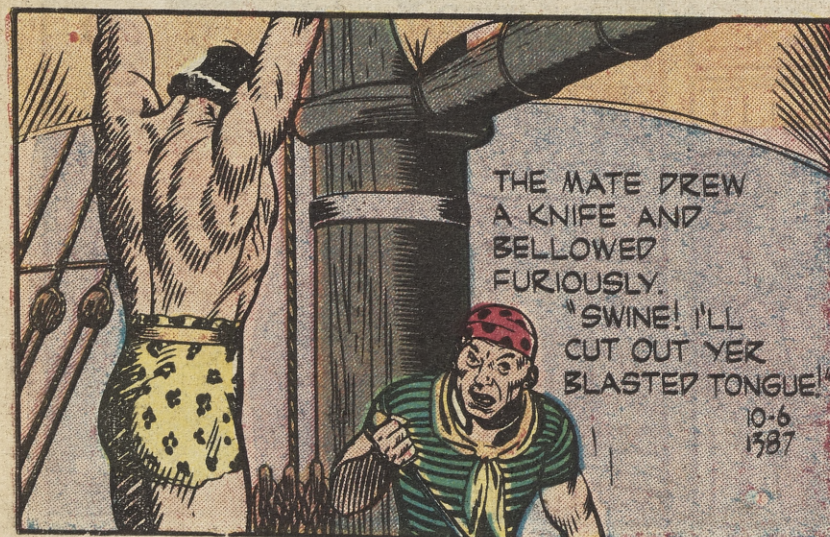

DICK VAN BUREN JOHN CELARDO

SUDDENLY THE APE-MAN LASHED OUT WITH HIS FREE HAND. "NOT TODAY, MY FRIEND!"

THE MATE DREW A KNIFE AND BELLOWED FURIOUSLY. "SWINE! I'LL CUT OUT YER BLASTED TONGUE!"

AND NOW...THE PIGSKIN QUEEN!!

PSST! THE QUEEN WON'T COME OUT!

ARCHIE! I DO NOT HAVE PIG SKIN!

OKAY, OKAY! WE'LL CHANGE IT!

HERE SHE IS! YOUR GRIDIRON QUEEN!!

ISN'T VERONICA LUCKY TO BE CHOSEN GRIDIRON QUEEN?!

WHY NOT? ARCHIE RAN THE CONTEST AND COUNTED THE BALLOTS!

ARCHIE, YOU'RE SO CLEVER— PLANNING THIS BETWEEN-THE-HALVES SHOW!

WAIT'LL YOU SEE MY CARD TRICKS NEXT!

SILLY! NO ONE WILL SEE YOU WITH A DECK OF CARDS ON THE FIELD!

NO—NO! LIKE IN COLLEGE! EVERY STUDENT HAS A FLASH CARD!

BETTY AND JUGHEAD! GET UP THERE WITH YOUR CARDS!

ARCH! WE CAN'T! THE AISLES ARE JAMMED!

WE'LL HAVE TO GO AHEAD WITHOUT YOUR TWO CARDS!

WHAT'S THE DIFFERENCE? OURS ARE WHITE ON BOTH SIDES!

HAIL QUEEN

ARCHIE! HOW SWEET!

READY TO TURN CARDS OVER... ONE...TWO...THREE!
